

AMENDMENT TO THE SPECIFICATION

Please amend the entire paragraph [0002], as shown in the following Marked-Up Version of the replacement paragraph:

--The conventional car window cornice is fastened along the external top edge of a car window frame for protection against the rain or sun only ~~and is short of competitive edge in terms of versatility~~. As a result, it has enjoyed a very limited popularity along the consumer at large.--

Please amend the entire paragraph [0014], as shown in the following Marked-Up Version of the replacement paragraph:

--As shown in FIGS. 5 and 6, the light-emitting device 30 is devoid of the fastening bolts 31 and is fastened to the slot 11 by an adhesive ~~[[tap]]~~ tape 33, which is coated on both sides thereof with an adhesive.--
